**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Bridge 2 Broadband is an important part of our community by supply superior service and speeds by smaller companies than the giants like AT&T and Comcast, whose terrible service is legendary and whose prices rise regularly with no increase improvement in that service. Fiber from Sonic is new to my neighborhood at an affordable price and the loss if such an opportunity would materially affect my home and business.
